

THE WORLD **CERTAINLY** HAS **CHANGED.**

Especially for
healthcare product
suppliers.

WELCOME TO THE **NEW WORLD**

There may not be **sea serpents** waiting to get you before you fall off the edge of the flat earth. But it can **still be a harrowing journey** for your products to get from you to your customers.

That's why you need **SupplyCopia** to **map your course** to thousands of supply chain managers, physicians, nurses, and all the other users of what you produce – **in hundreds of hospitals** all over the country.

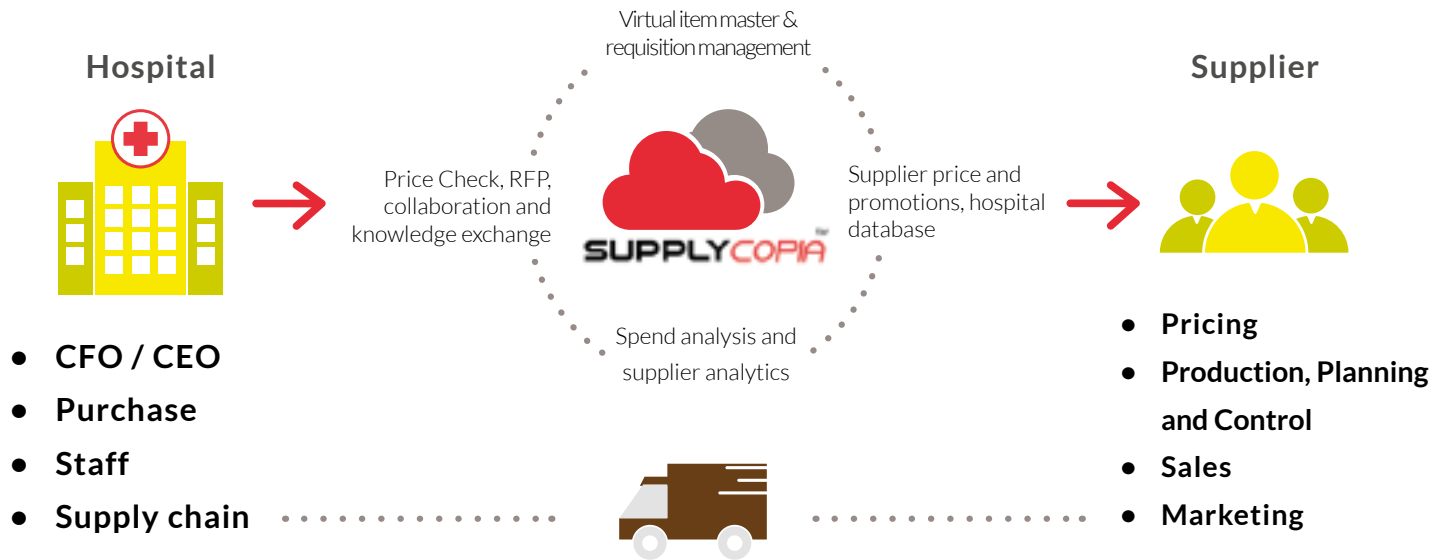

With **SupplyCopia**, all of your products, all of their specs, all of your deals and discounts are always at the fingertips of all those who make purchase decisions, **you'll stand out.**

Updated daily, **SupplyCopia** gives you:

- **Unlimited** access to hospitals
- **Control** of your pricing and promotions
- **Access** to demand and trend forecasting
- **Optimal** pricing recommendations

Take a look at how **SupplyCopia** works:

SupplyCopia platform brings **hospitals and manufacturers** on a single platform, **enabling real time** commerce, communication, process efficiency and bottom line benefits.

IT REALLY IS A **NEW WORLD**. SET OUT FOR IT TODAY WITH **SUPPLYCOPIA**
